

# PRE-FORMED WRAPPER PRICE GRID

Flexible, eye-catching and cost-effective

## Pre-formed Bar Wrappers

High-barrier film is custom-printed with your design of choice. It's then pre-formed into a bar wrapper for easy filling by hand. Simply ask for a free sample to ensure your bar fits as intended.

### Material

MET OPP w/matte lam  
2.1mil thickness  
WVTR: 0.06 OTR: 0.06

### Sealing Method

Heat-sealable, fin seal

## About The Pre-Formed Wrapper Program

- Minimum per SKU/ flavor is 1,000 wrappers with a 2,500 total minimum.
- SKU's must be divided evenly.
- You will be responsible for suitable heat sealing on your end. We recommend using a band sealer.
- Make sure you test the samples we send for size and suitability.
- Pre-formed wrapper orders are pre-pay after proof approval.

### Finished Size

2.5" x 6.5"
